THE MULTI-ACTIVITY COMPLEX IN MONACO!

THE STORY OF BOX98

THE STORY OF BOX98

BOX98 in a few words:

In the heart of Monaco, BOX98 embodies a new generation of entertainment where luxury, innovation and technology come together. Much more than just an activity center, BOX98 has become a must-visit destination for companies, families and thrill-seekers.

Across more than 5,000 m², you can discover:

- a state-of-the-art electric karting track
- four mini-bowling lanes for children and adults
- numerous arcade machines
- our karaoke room and exclusive event areas.

Every visit becomes a unique experience: Friendly moments with friends, unforgettable birthday parties or high-end corporate events, BOX98 is the No. 1 multi-activity complex in the Principality!

BOX98 stands out for its wide range of offers tailored to your needs:

- team building
- Christmas party
- seminar or conference
- ultra-private event

Today, BOX98 is much more than just an activity center: it is a testament to Monaco's evolution in the entertainment and events industry.

It is where traditional fun meets cutting-edge technology, where corporate excellence meets casual entertainment, and where every visit becomes a story worth telling.

General information:

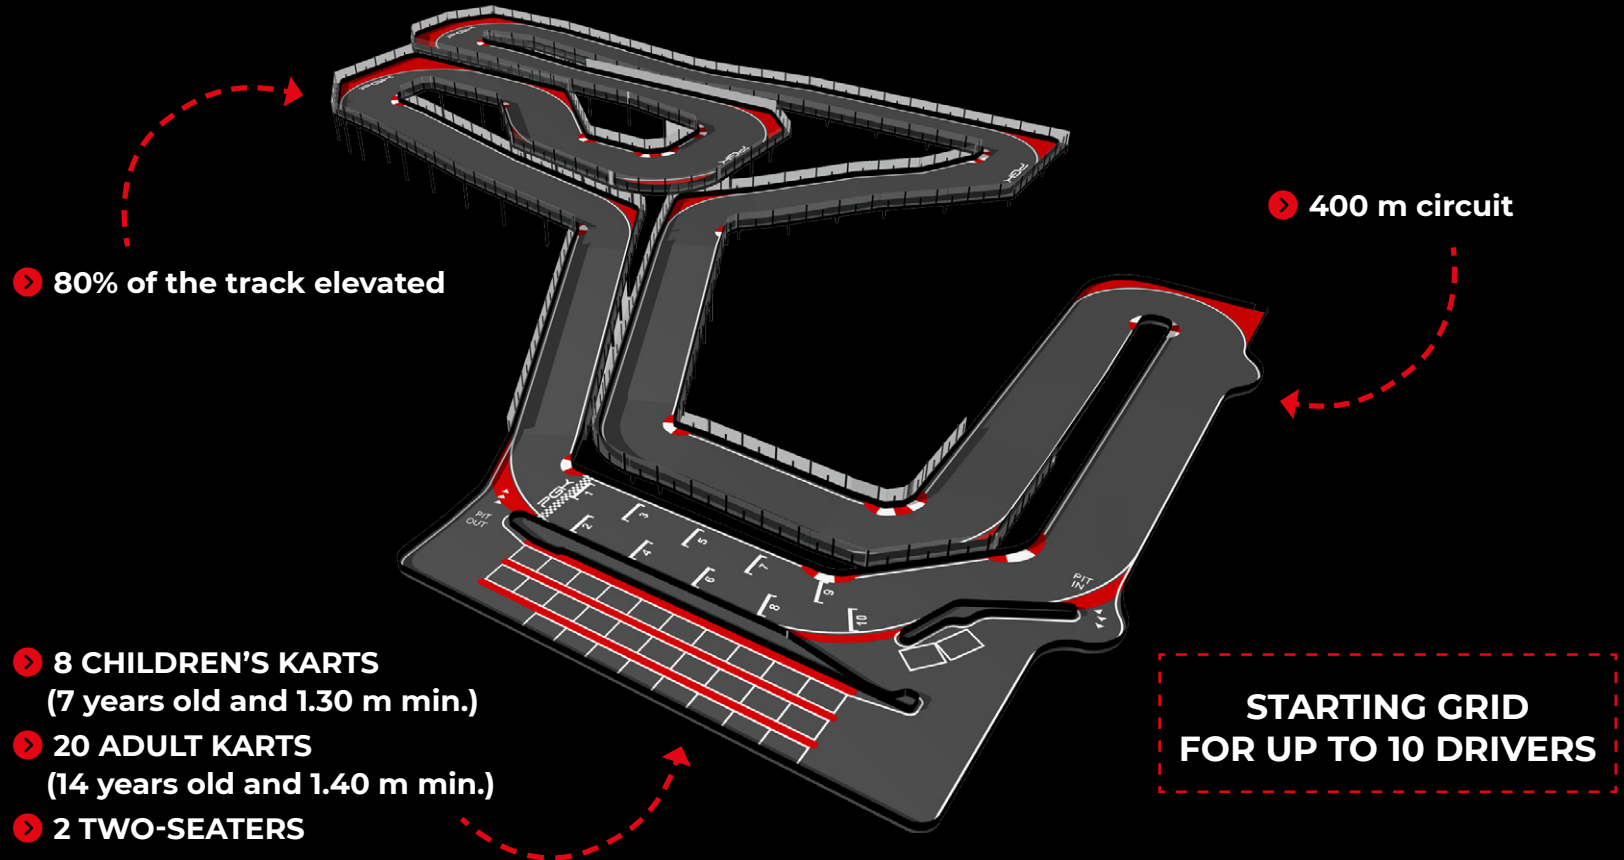

- 1 500 m² accessible to the public
- maximum simultaneous capacity: 500 people (exemption possible for larger numbers)
